

TARWATER STEM-TASTIC Spring Festival

STUDENT VENDOR APPLICATION FORM

Tarwater Elementary School’s Fall STEAM Festival (Power Up!) will be held outside on Friday, March 27, 2026 from 5:30 – 8:00 pm. We are expecting over 1,000 guests to attend this year with many activities planned for this fun-filled family event.

Tarwater PTO is sponsoring up to six (6) student run vendor booths for this event. This is an opportunity to showcase and sell something. The Fall Festival Committee will vote on six (6) students to participate. If you are chosen, a parent/guardian must be present at all times and must stay with you and your booth throughout the entire evening. Student vendors will have a designated area approximately 10 ft wide and be responsible for providing their own signage. Student vendors are responsible for their own set-up and clean-up. Electrical outlets cannot be guaranteed. All student vendors will be assigned a pre-determined location. Set-up begins at 4:30 pm. Student vendors must be ready at their area no later than 5:15 pm and stay until 8:00 pm.
